A Defiant Echo, an urgent flip of antiquated and oppressive myths.

This omnidisciplinary play features dance, multi-channel audio and video coupled with experimental text and a cast that does it all justice.

Chicago, IL– Kyle Gregory Price is thrilled to announce 'A Defiant Echo', an experimental theatre piece premiering on Tuesday, December 9th, 2025 at Elastic Arts and their 16-channel CLEAT sound system in Logan Square, Chicago.

Written and directed by Kyle Gregory Price, the event will feature Brian Shaw, Deirdre Harrison, Britt Price Anderson, Richie Schiraldi, Kao, Surinder Martignetti, Gordon Fung, Justin Cavazos with scenic and costume design by B. Weiland. This team of artists and provocateurs coalesce to flip an ancient mythology on its head, telling a new yet urgent and timely tale of addiction, oppression and a challenging but attainable recovery when we take those first steps and find our true friends.
